A haiku to love

**From almost the point
Of insanity it came-
A true love haiku.**

Act of love

**On the wire, two crawls
Are staring at each other
Forming a heart shape.**

Beautiful orange

**One orange so cute-
I wished to be her juicer
To sweetly squeeze her.**

Best sweethearts

**In kindergarten
We exchanged feathers-In the
Church, we exchanged rings.**

Childhood drawing

**Hearts connected by
A red and white candy tube
Powered by pure love.**

Crazy feelings of love

**These feelings of love so
So strong even if nowhere they
Lead, I would kiss her.**

Cute apple

**Beautiful apple-
I dreamed I was the first one
Giving her a bite.**

Dinner

**I cooked dinner last
Night for my love so good-
Cialis not needed.**

Facing the consequences

**Into her heart he
Lied his way and it backfired
Now he is crying.**

For a taste of love

**In search of love I
Lost everything; Gladly I
Would do it again.**

Heart of gold

**Heart of gold never
Feels lonely-Thoughts of his sweet
Love always with him.**

Her love

**Her love-The water
That keeps the garden in my
Heart, green and happy.**

I love you.

**This little haiku
Shows how much you mean to me-
Titled" I love you"**

It is love

**Mysterious thing
Guiding my life day and night
Since I was born-Love**

Keeping your words not easy

**To say I will love
You forever is easy,
Walking the talk not.**

Love

**My princes you are
Your soft white pillow I am
The medium is love.**

Love letter

**Love letter missing
One piece, but Rose did not touch
It-A mouse ate it.**

Love prediction

**If you get a soul
Too big for your heart and push
Her in, it will hurt.**

Loving blindly

**Blind love-She placed my
Heart in a river of pain.
Yet, I still loved her.**

My love

**You are my princes
I am your soft white pillow
And love the medium.**

Nice kiss

**She gave me a kiss-
I just showed her two smiling
Hearts, one with her name.**

Scorpio

**Scorpio-A sign
Full of intoxicating
Rainbow ink called love.**

Show of love

**On the wire, two crawls
Are staring at each other
Love is in the air.**

So much

**I love her so much
Just the thought of losing her
Is unbearable.**

Song in my head

**“Hey, tell me what to
Do baby”-Catchy, sticky
Love song in my head.**

Strong feelings

**Strong feelings of love
Even if made of lava
Sure I would kiss her.**

Sweetest honey ever

**That queen bee stung me
So many times, believe me,
Best honey ever.**

The only thing that matters

**What can I say? What
Matters to me is that she
Loves me and she does.**

Unexpected help

**Out of nowhere the
Rain came-Under umbrella
She and me, kissing.**

A kissless date

**Date at the mall-She
Was so shy that a public
Kiss was a no, no.**

A night with no secrets

**Full moon night-The beach
Will not be able to hide
Its affairs tonight.**

**Apple-
Beautiful apple-
I was the first one giving
Her a bite, I dreamed.**

Beautiful lady

**Beauty-One thing I
Know for sure, under that dress
There is a treasure.**

Break up

**Break up-Her rumors
Hurt, but nothing hurts more than
Her indifference.**

Cupid

**Altar in his soul-
You can see hearts made of red
Roses everywhere.**

Love hurts

**Blind love that hurts-So
Much twister wants to kiss
Earth he destroys her.**

Funny

**Now it sounds funny
But suddenly she kissed me
I almost fell down.**

Gardening love

**Love is a garden
And it needs a gardener
Fulltime to flourish.**

Good memories

**Nice memory-My
Faced went from white to red the
Day of my first kiss.**

I do not know

**I do not know why
Only songs from her heart can
Put my soul to sleep.**

Life

**The beauty of life-
Like hate, loneliness stops in
The presence of love.**

Love surprises

**Surprises are fun-
Red goes with slow dancing and
Chocolate kisses.**

Morning view

**View making me sigh-
A bunch of big pink roses
Flirting with the sun.**

My first splash

**Not a smooth ride-She
Held my hand, but when I kissed
Her she splashed my face.**

My heart disagrees

**Walking by I saw
Her-I thought it was over,
My heart disagrees**

My moonflower

**No much sex, but no
Complaints-I know I have a
Lovely moonflower.**

Nice sunglasses

**Love my sunglasses-
I can keep my head straight while
My eyes play around.**

Not a smooth ride

**Not all went smooth. When
She held my hand quick I kissed
Her. She smiled, then splash.**

Similarities

**My soul decays for
Lack of love; Flowers for lack
Of water-Nature.**

Prediction

**She will warm my bed
Tonight if she again smiles
At me-Prediction.**

Sour sweet life

**Shifting wild fires-
I got burned again trying
To live without her.**

Special gift

**A gift wrapped in leaves-
When she opened it she found
The keys to my heart.**

Thinking of you

**When the breeze touched my
Face I remembered-Your hair
Playing with my nose.**

Unlikely gift

**Unexpected gift-
Another lonely night I
Thought. Then, she came in.**

Wildly in love

**Pair of crows petting
Each other with so much care
I sigh-Wildly in love.**

A garden secret

**Under garden rock-
The gold ring my first love gave
Me is still hidden.**

A gorgeous smile

**Pink bag next to one
Gorgeous lady-I love pink
I said and she smiled.**

A haiku for my love one

**I wrote a haiku-
For others not a good one,
But it won her heart.**

A love progression

**Living together-
The emotional distance
Tended to zero.**

A lovely challenge

**A lovely challenge-
“No fat, more love” sweetheart said
I lost sixty pounds.**

A lovely drug

**Like a wonder drug-
My broken heart started to
Heal when I met her.**

A lovely twist

**Wonderful love twist-
My downright nightmare became
The love of my life.**

A new treasure

**My new treasure-As
Patient as a turtle I
Was; now she is mine.**

A special woman

**One special woman-
Her wonderful story is
A touching love song.**

A sweet date

**Sweet date-Bus in the
Distance and we are walking
Slow just to miss it.**

A worthy choice

**A pleasant surprise-
I went out of my way for
Her. It was worth it.**

Advice for a teen boy

**“About women, if
You pass the smell test you will
Be fine” Granma said.**

After breakups

**Breakups-She used to
Be my whole world; Now she is
Just a memory.**

Beautiful eyes

**Irresistible
Eyes-No wonder I gave her
My heart in a flash.**

But at least I know for a
Fact true love exists.**

Spend my life with her, she left
Suddenly-Broken.**

Can almost hear those bee and
Hummingbird kisses.**

Captive gardeners

**Rose looking for love
Scent smelling so wonderful
Captive gardeners.**

Corrupted love

**Mind games-Signs that love
Has been corrupted by a
Sense of selfishness.**

Yummy as cotton candy
They look- I love them.**

Cotton candy type heart

With your hugs soft like cotton
Candy it became.**

Since his arrow pierced my heart
We are together.**

Date and afternoon

Talking to my shadow while
I wait for my date.**

I will never give up, but
My hope is fading**

Knowing his love memories
Are fading away.**

Without second thoughts.**

To give me a hint.**
