Nice memory

Childhood memory-
I painted for my mother
Two pine trees hugging.

Waiting

Dusty heart-Waiting
Patiently for a new star
To polish him up.

Wine

Sour bottle of wine
Once became so sweet after
A thousand kisses.

A good trade I thought

I liked her so much-
Once I even traded my
Lunch box for a hug.

A mismatch

Not a good match, yes-
Her heart was square while my soul
Was triangular.

A royal path

Royal road-Thinking
About the path my heart took
To find a cute soul.

Addictive sweets

**Sweets-Love like caramels
First time you have it and you
Do not want to stop.**

Beyond beauty

**I loved her deeply-
Nothing to do with beauty,
But her heart of gold.**

Date in the dark

**Walking in the dark-
Remembering my first date
Beautiful blue eyes.**

Distance

**The distance, perhaps,
The mural she painted in
My heart is fading**

Fact

**Fact-My heart was once
Pierced by a Capricorn who
Came from the tropics.**

First autumn chill

**Comfortable chill-
Last night she and me seated
At the park hugging.**

Friendly competition

**Competing for love
My friend and me we both got
A big hug-A tie.**

Getting a royal treatment

**Royal treatment-My
Friends gave me hugs and my love
Gave me a big kiss.**

Her simplicity

**Simple things-Talking
To me, making me coffee,...
Make me feel royal.**

Hidden secrets

**A secret in my
Heart-On my way to my first
Date I was sweating.**

Jealousy

**Twisted mind-She lied
To induce me to break the
Heart of an angel.**

Like frost

**Memories of her
Like frost beautiful and so
Cold still in my heart.**

Loss in translation

**“Think square” she said. I
Thought she was putting me down-
She meant “Think deeper”.**

Love not always easy

**True-In the garden
Finding love was easy; then
I met this bonsai.**

Lucky night

**Changed my approach and
I was right-Someone like me
She was looking for.**

My bonsai

**Because she was small
And cute I called her bonsai-
She called me “my prince”.**

My grandmother

**My grandmother-The
One thing I would love to see
Living for ever.**

My precious harvest

**Finally, I am
Enjoying the harvest of
My whole life-Her love.**

One tender kiss

**It was just one kiss,
But so tender that it changed
My life forever.**

Hearts and lovely sounds

**I love sounds, but there
Are some sounds I love the best-
The sounds of her heart.**

Outcast

**My heart understands
Now the meaning of outcast-
She loves me no more.**

Paradise

**Tropical island-
The meaning of paradise
My heart found it there.**

Playboy

**It was the nickname
Given to me by my peers
In high school-Playboy.**

Raindrop blessing

**Best time of my life-
Raindrops I will not forget
Blessing our first date.**

Rebirth

**Rebirth-I took the
Positives with me and a
New star took me in.**

Reprieve

**Feeling quite ignored
A soul escaped and found reprieve
In a brand new heart.**

Romance

**Hummingbird comes back
Again and again to kiss
The same rose-Romance.**

Rose and Lilac

**Lilac competing with Rose
Over hummingbird
And he loves them both.**

Sad goodbye

**Sad to say goodbye-
Raindrops washing my teardrops
While I see her leave.**

Secrete dates

**Summer rain-Again
My girlfriend got grounded for
Going home still wet.**

Slaving heart

**So unhappy was
My soul one day it crawled out
For good-Slaving heart.**

Slow dating

**Dating-First time, Tea.
Second time, beach and love in
A soup of kisses.**

Still she hugged me

**I did not hear well-
She said “plums” I brought her grapes,
But she still hugged me.**

Summer memories

**Summer rain-It brings
Memories of you and me
In the hollow tree.**

Sunshine

**The smile of the sun
Able to warm up even
A cold soul-Sunshine.**

Sweet harvest

**Finally, I am
Enjoying the sweet harvest
I wanted-Her love.**
