His love for music.**

Felt I had been there before-
Perhaps in my dreams.**

That meadow moon was absent-
Kisses in the dark.**

My heart quietly wishes
A nice walk and trip.**

With yummy body shaped like
A perfect apple.**

She knows I will kiss her

I see a red rose smiling
Expecting my kiss.**

She, me and winters

**Winters in the farm-
Love is running wild planting
Summers in her heart.**

Shortcut to church

**Special country path-
A shortcut to the small church
Where we go married.**

Smiles and love stories

**Unbelievable-
From a tiny smile came out
A sweet love story.**

Summer and school

Girls at school are wearing big
Red and white flowers.**

Colorful garden tells me
Summer is here.**

Sweet memories

Remembering my first kiss
One hazy morning.**

Lips loaded with honey.**

The best trade

My lunch box and my candies
All for just one kiss.**

Worshiping a dried rosebud
The first one he cropped**

**Pirate no more. You
The only treasure I need-
My secrete island.**

**Just as when I hugged
You-Seeing those two flowers
Entangled feels sweet.**

The music of love

Even when its texture is
Rough it still sounds good.**

Full of love and the wind of
The future is calm.**

Among the singers of life-
The perfect duet**

The pirate in me comes out
Hoping to steal love.**

Titanic-love, tragedy
Talking to my soul.**

The world of hearts

**In the world of hearts-
Understanding is the snack
Of a happy soul.**

This is the truth

**It was in my dream-
True love requires painting her
Heart with my own blood.**

Treasured memories.

**Thick morning haze-The
Best cover for my first kiss
Treasured memories.**

Tricks and clouds

**No wonder she tricked
Me-I saw a white cloud, not
The dark heart inside.**

True love and distance

**Concept of distance-
It is meaningless when you
Are truly in love.**

Very happy souls

**Very happy souls-
Those floating gracefully on
Top of clouds of love.**

Waves about to kiss you

**Oil painting on wall-
A night at the beach with waves
About to kiss you.**

What a night

**Best night of my life-
While slow dancing, you lit my
Heart with that first kiss.**

What a wildflower

**Special wild flower-
She was a tomboy and the
Best kisser ever.**

When force is powerless

**A fact about force-
It can never be used to
Generate true love.**

Wild roses and kisses

**Wonderful surprise-
When she saw a wild rose in
My hands she kissed me.**

Windy spring day

**Windy day-Cherry
Blossom petals raining on
Me like blessed water.**

Wonderful perfume

**I love her perfume-
Even in the dark I know
Always where she is.**

You, my destiny

**Happy conclusion-
All roads in my destiny
Map lead me to you.**
