A place called home

**Place called home-Under
Coffee and balsam trees I
Came into the world.**

A haiku to share

**I decided to
Let my inspiration fly-
I wrote a haiku.**

Ceteris paribus

**Without predators
Any population grows
Exponentially.**

A lovely third date

**First, it was sunny.
Then, we saw a wishing star-
Tonight is the night.**

After the breakup

**Not sure first why she
Went mean. Then, my heart told me
“No doubt, she loved you”**

And my wish came true

**It was a simple
Wish, just to see her again
And my wish came true.**

And that is fine with me

**Tequila so good-
I think I will be sleeping
When the New Year comes.**

And the question is

**Can someone tell me
In a nutshell what is his
Complete name?-Peanuts.**

Best type of love

**I am addicted
Now to the best type of love
There is-Strong and Kind.**

Beyond bad days

**Cloudy days we have
Sometimes, but don't forget life
Is still beautiful.**

Black Fridays

**Black Friday-Markets
Riding on the backs
Of self-interest.**

Buried tears

**Holding on-After
The rough break up there were no
Tears, I buried them.**

Child with sad face

**Caught his first fish. Then,
It escaped off his hands-Face
Of disappointment.**

Childhood flashbacks

**As children play in
The park I close my eyes and
I see my childhood.**

Crash

**While wondering if
To go left or right, I crashed
Into the glass door.**

Disappointed child

**Right out of his hands
First fish he caught escaped-Face
Of disappointments.**

Falling down

**Jumping from plane to
Plane I lost foot, fell down-Thanks
God I was dreaming.**

Flooded memories

**Flooded memories,
The leftovers after the
Walls of my heart broke.**

Friends

**They laugh at me, they
Told me I am nobody-
Just won ten millions.**

Ghostly feelings

**Behind me I felt
Something and I quickly looked
Back, but nothing-Ghost?**

God bless you grandma

**Before closing her
Brown eyes, softly I told her
Grandma, I love you.**

Gods and creativity

**Creativity
Is always at odds with gods-
They want you like them.**

Going to work

**On my way to work
Wearing sunglasses, whistling
Very catchy song.**

Good Friday

**Small church, the lord must
Be happy-Several are
Gathered in his name.**

Especial friend and me

**It is always fun
Remembering the good times
We had together.**

Haiku and Love

**Similarities-
Better late than never, rule
For love and haiku.**

Haiku structure

**Nice words, some logic
And you have the structure of
A catchy haiku.**

Haiku

**Summarizing what
Each of us sees or feels in
Daily life-Haiku.**

Happiness

**It is a shinning
Arrow with the shape of a
Zigzag-Happiness.**

Happy forest

**In the forest life
Starts getting noisier in
The early morning.**

Happy valentines

**Crying she told me
“Nobody ever loved me
This much-I just smiled.**

Hard to explain

**It happened again
I just kissed a red rose and
This haiku came out.**

You, my everything

**There is only one
Thing that can motivate me
To strive for more-You.**

Yucky habit

**Even when in line
For ice-cream picking his
Nose-His bad habit.**

Yummy chocolates

**Oops!-I bought chocolate
For my sweetheart and when I
Got home I had none.**

Yummy kisses

**I did not expect
It-Cotton candy kisses
She gave me, I swear.**
