A beautiful life

**If I could do it
Again, I would chance nothing-
Life is beautiful.**

A sweet life

**I have lived the life
Of Hummingbird-Jumping from
Flower to flower.**

A common future

**My head resting on
Her shoulder-Imagining
A common future.**

A lovely find

**She, the broken leaf
I found one day became my
Love after one kiss.**

A nice surprise

**A lovely surprise
Under the white pillow her
Phone number she left.**

What a nice surprise

**Under her hat I
Found a wonderful surprise-
Beautiful blue eyes.**

A secret love

**Very deep inside
My heart there is a secret
Love-Only I know.**

Always makes me feel better

**Whether I am sad,
Sick, she makes me feel better.
She, my chicken soup.**

And it came true

**A simple wish I
Made, just to see again her
Smile-My wish came true.**

At the mall

**Today at the mall-
Saw old sweetheart; my heart did
Not know what to do.**

Believe me

**I have never seen
A shining star until I
Saw you-Believe me.**

Best love

**I am addicted
Now to the best type of love
There is-Deep and free.**

Blind love

**It was and still it
Is my plan, "I will always
Let her win"-Blind love.**

Boy I miss her

**So much I miss her
Hearing her favourite song
Always makes me cry.**

Boy she is beautiful

**Eyes of wonder-In
Front of me, cutest woman
I have ever seen.**

Cold morning

**Why she kissed me I
do not understand. I just
Lended her my coat.**

Cupid

**Altar in his soul-
You can see hearts made of red
Roses everywhere.**

Daily love ritual

**The true love ritual-
She and me exchanging wild
Kisses and roses.**

Don't forget

**There is always one
Who can make you fly with just
One kiss-Don't forget.**

Even though he never came

**Single all her life
Rose screamed before dying-"I
BELIEVE IN CUPID"**

Following her heart

**It was not money
Why she run away with him
He was a good man.**

For ever happy

**You, a soul; me, a
Heart-We, couple bound to be
Happy for ever.**

God bless you grandma

**Before closing her
Brown eyes, softly I told her
Grandma, I love you.**

Especial friend and me

**It is always fun
Remembering the good times
We had together.**

Happy surrender

**Behind a serious
Face I noticed a gentle
Heart-I told her yes**

Happy Tears

**No tears I was told,
But I could not stop crying;
I was so happy.**

Happy valentines

**Crying she told me
“Nobody ever loved me
This much-I just smiled.**

A happy garden

**Through my window I
Hear a happy garden-Birds
and flowers singing**

A happy heart

**My head on her chest
Her heart sounds very happy
Singing in my ear.**

A happy slave

**Going back to town
My heart is a happy slave
Wonderful blue eyes.**
