And the moon disappeared

Tonight looking through
Branches the moon disappeared-
One owl took her place.

A castle inside a tree

I see a hole on
An old growth pine tree. It is
Spotted owl's castle.

Amazing moment

It is amazing
Witnessing the moment the
Forest goes to sleep.

And the sun disappeared

I was staring at
The sun when it disappeared-
Dark cloud going by.

Another festival of lights

Earth did it again
Excellent party tonight-
The boreal lights.

At the old pond

A boy was leaning
Too much to see fish swimming
And suddenly, splash.

Blood moon

Menstruation cycle
Taking place in the night sky
As we speak-Blood moon.

By the river

Walking by river
I see seagulls enjoying
A ride on long logs.

Camping trip

On top of mountain
Camping, kissing my sweetheart
Under a full moon.

Cat vrs dog

Clever dog, from hill
He can see everywhere; Smart
Cat, already gone.

Cave climbers

Cave Climbers-What
I thought were bats hanging were
Children having fun.

Cherry blossom festival

Beautiful-The trees,
The umbrellas, the people,
All are wearing pink.

Cloudy day

Looking at the sky
I see white clouds looking like
Beluga whale pods.

Cold walk

Walk through the park-So
Cold I can almost taste my
Next hot chocolate.

Cool moon

Tonight, they thought I
Was kidding, but I was not-
Moon wearing a hat.

Crazy perhaps

Crazy you can say,
But I love the way seagulls
Sing, play and dance-Wild.

Different for sure

A different world
From the point of view of ants
Everything is big.

Dizzying view

While staring at sky
I felt dizzy-Moon and clouds
Went opposite ways.

Duck fishing

Like a projectile
A duck splashed its way down the
River, caught a fish.

Eternal lovers

Each time the sun shows
Up in the horizon the
Forest kisses him.

Eyes of appreciation

Extreme cold weather
Free coffee going around
Appreciating eyes.

Flies and annoyance

Annoying sound, and
when the fly landed on the
Cake again, ZAP.

Flowers and sunlight

The sunlight magic
Just its presence makes all the
Flowers go dancing.

Funny baby crab

Playing at river-
A baby crab is hiding
Under a small leaf.

Half-moon night

I am standing north
And the cute face of half-moon
Happily smiles east.

Happy forest

In the forest life
Starts getting noisier in
The early morning.

A happy tree

Giant tree on hill
With long hair shaped foliage
Dances with the wind.

A heart on stone

Once I carved a heart
On stone behind waterfall-
And it is still there.

A line of trees

Playground boundaries
Safe from the world of monsters
A line of pine trees.

Against the odds

Defying the odds
The last few trees of the old
Growth forest stand tall.
