Sign of love

A sign of true love
Without knowing completely
To love completely.

In the wild

Concert in the wild
The songs of migrating birds
Made me go homesick.

By a creek

At bench by a creek
Enjoying soft sounds I love
Water flowing down.

Sweet grandma stories

I miss my grandma
She loved putting me to bed
Telling me her dreams.

Writing

A night of writing
The sound of brewing coffee
Helped me stay awake.

Sea of roses

Garden of heaven
The joy of resting among
A sea of roses.

A love poem

Love poem so sweet
My heart said “read it slowly...
So it never ends”.

The past

A beautiful past
She decorated my heart
With white and blue dreams.

Reunion

Happy reunion
As expected she looks like
Flying among stars.
