## **Be Aware, Keep in Mind**

**Be aware,  
Small issues are irrelevant or meaningless;  
And therefore, disagreement is rare,  
Only when there is love and happiness.**

**Keep in mind,  
When your partner claims very often to be busier or over worked;  
And therefore, constantly tired,  
You may no longer be the one at home that is really desired.**

**Stars shine even better in the dark**

**My son, you are a good person  
And one who always acts with reason  
So I know you will always be happy  
No matter if you are facing a twisted destiny.**

**See, if you behave with honesty  
I know that your go lucky personality  
Will win the day  
Even under a sense of uncertainty.**

**And even if love or life treats you with madness one day,  
Trust me, you will be okay.  
Remember, you are a star,  
You will shine even better in the dark.**

**Sweet and sour sources of inspiration**

**My inspiration reaches a peak  
Or climatic stage  
Either when my heart is broken  
Or madly in love.  
Long live Creativity the Queen!**

**These days, my heart is fully broken  
And about to cry beautiful hope  
And forgiveness based poems  
As life must go on.  
Long live Love the King!**

## **The good imaginary man**

**Once a man went from extremely poor  
To extremely rich when he got married.  
And he was not able to see then  
That the hidden cost of it was his identity  
And his freedom.**

**Sadly or happily it did not work and  
Years later he went right back to poverty  
And to freedom and to friends.  
He continues to be today  
A good imaginary man.**

**The happiest of all fools**

**When she requested my attention  
I gave her a river of love;  
When she showed signs of frustration  
I reacted as peaceful as a white dove;  
When she bathed me with humiliation  
I forgave her quietly by the stove;  
And now out of that ugly situation  
I still really missed sleeping in that old alcove.**

**Yes, you can call me crazy,  
You can call me the greatest all dulls,  
But loving her with so much frenzy  
Made me at that time be the happiest of all fools.**

**The moon was looking for love**

**The moon was looking for love  
For months she smiled only to well-dressed men passing by  
Trying to create a spark of the so called “chemistry”,  
But nothing happened despite constantly raising her white glove.**

**One day, the moon complained to the sun  
“How come is that all men are not interested in me?”.  
The sun replied “You see,  
Not all men dress up, you missed the one that will give you fun”.**

**Since then, the moon proceeded to dedicate a special smile  
To all the men who she missed before.  
For a man called cupid that smile was priceless  
And he quickly decided to make her his princess.**

**Since that afternoon  
The moon  
Became very lucky  
And really, really happy.**

**The mystery of waiting for love**

**Go out, open your heart  
Greet people, smile, have fun  
Promote friendship from the start  
Life is short, mysterious, no need to run.**

**See, not knowing when, who, where, how, and why  
Adds to the mystery of waiting for love  
Whether this is your short or long-term destiny  
True love often comes out of an unexpected adventure.**

## **The natural path of love**

**Flirting bodies search for attentive eyes,  
Nice eye contacts lead to smiles,  
Caring smiles get you dates,  
Good dates produce kisses,  
Excellent kisses bring many hugs,  
Charming hugs light up internal fires,  
Sweet burning fires sparkle lovely moments  
And feed a pleasant frenzy into happy hearts.  
Do you agree  
With me?**

## **Ways of showing love**

**When expressing love is encouraged**

**Sign of love can be released**

**Through a play of hugging and kissing happily**

**Saying “I am glad you are here, I love you” physically.**

**When showing love is discouraged**

**Love can be expressed**

**In silence with a gentle caring thought**

**Indicating in non-material ways “I love you, I miss you a lot”.**

## **Welcome Honey**

**When I heard her name,  
I thought “It sounds funny”;  
When told she once was my classmate,  
I said “I do not remember”;  
When I saw her charming smile,  
I thought “Okay, time to surrender”;  
When she held my hands,  
I said “Welcome honey!”.**

**Yes, it sounded funny  
I did not remember,  
But I did surrender.  
So again, Welcome honey!.**

**A happy low steam life**

**When balancing the negative  
Experiences in my life**

**I realized  
I am a lucky man.**

**When looking at the positive  
Aspects of my life**

**I realized  
Why I am still a happy man.**

**Lucky to be alive,  
To still be able to dream;  
Happy to still be able to strive  
And to enjoy life at low steam.**

**Each time I see you**

**When I go to the beach I feel free,  
When I climb high mountains I feel proud,  
When I look at the past I feel happy,  
But I get all those feelings at the same time  
Each time I see you.**

\

**Goodbye my lost soul**

**I promised her eternal love  
And she could not hear me  
(Deaf ears)**

**I showed her the landscape of my life  
And she could not see it  
(Blind eyes)**

**I begged her to forget the past  
And she could not forgive  
(Resentful heart).**

**I had the courage to let her go  
While still loving her  
(Lost soul)**

**Deaf ears,  
Blind eyes  
And resentful heart  
Goodbye my lost soul.**
