**In the presence of spoiled wines**

**The sun is sad  
He met a very beautiful star  
While at the bar,  
But all went quickly really bad  
When he told her she was the best  
She replied “\$\$\$ how much”  
The sun was so shocked, Ouch  
He immediately left  
Screaming, “Sometimes  
Too much excitement  
Can lead to an unexpected lament  
When we are suddenly served spoiled wines”.**

**It is not hate, it is love**

**It is not hate,  
The best approach,  
To deal with a grouch,  
It is love.**

**It is a known feeling,  
Love,  
Unlike hate,  
Grows with healing.**

**Keep in mind that life is a play**

**When good things come your way,  
Your first good date, your wedding date...,  
Enjoy them,  
Be happy.**

**If bad things come to you one day,  
Your first disappointment, a bad date...,  
Face them,  
Lift up your spirit highly.**

**Keep in mind that life is a play  
Where there can be good or bad fate  
Or both can be present at the same time;  
And that, whether you like it or not, is your destiny.**

## **Like a bee**

**My heart goes to you,  
Your kisses are for me,  
The day you tell me I love you,  
I will turn yellow and black like a bee.**

**Love in good and bad times**

**During good times**

**Love usually appear in shallow forms  
Easy to break or to be ignored  
Especially when couples live as parallel arrows.**

**The best of love comes**

**Often during the worse storms  
Making you feel then strong or valued  
Like there are no tomorrows.**

**Love triangles are not for me**

**I met a very beautiful wild flower  
One sunny afternoon  
And the thought quickly came to me that soon  
My heart was going to have a new owner.  
Then, it turned out to be  
That the flower was not really free,  
Just looking for a better gardener  
Or tender,  
But you see  
Love triangles are not for me.**

## **No or Perhaps**

**My dear**

**You know I love you from way, way back**

**And now I hear**

**That for many years you will be gone.**

**I just want you to know that if you ever comeback**

**And I am still alone,**

**Please do not think that I am still single**

**And ready to respond to your hand's claps**

**Because I have been just waiting for you to mingle**

**Or...perhaps.**

**No wonder she is fun**

**No wonder she is fun  
She is flirty  
And looks feisty  
Playing under the sun.**

**My eyes were glued  
My face was sweating  
My heart was hurting  
As I was not longer blue.**

## **Opposite truths**

**Keep your heart  
Out of the bowl of friendship  
And from the start  
You most likely will have,  
If not a boring, a very lonely life-long trip.**

**Drop your heart  
Into the bowl of friendship  
And from the start  
You most likely will have,  
If not a memorable, a very enjoyable life-long trip.**

## **Positive and negative life's lessons**

**When lucky in love  
Life is not rocky;  
When unlucky  
Each past moment can be a nightmare.  
Life is a play**

**When love is sweet  
Kisses can last even one hour;  
When sour  
You may curse even the loveliest tweet.  
Life is intriguing.**

**When life is based on trust  
Your heart and soul are free like butterflies;  
When based on lies  
Breakups are a must.  
Life is dynamic.**

**Yes, we all have life's lessons coming  
Sometimes they are positive;  
Other times they are negative  
Yet, it is still worth living.  
Life goes on.**

## **Sadness and Happiness**

### **Sadness,**

- A state that comes from getting all you want  
And missing what you need.**
- The road to loneliness;**

### **Happiness,**

- The emotion resulting from downsizing all you want  
To exactly what you need.**
- The road to kindness.**

**Searching for a partner in peace**

**When I was young  
Feeling full of love and wildly strong  
It was my dream all the time  
To be able to find my ideal partner in crime.**

**After facing reality for years  
And after so many ups, downs, smiles, and tears  
I now pray since I still have my heart in one piece  
To be able to find my ideal partner in peace.**

**God can you help me  
Please?  
Can you lead me  
This new year towards a good partner in peace?**

**And she said wow**

**And she said wow,  
Please tell me how,  
My heart is completely happy,  
Feeling crazy.**

**He told her Umm,  
I just hugged you until Mmm,  
My body was completely sweaty,  
Feeling shaky.**

**You see, once we say yes,  
Almost always,  
Our mind goes numb,  
And our heart sounds like a drum.**

**She was my queen**

**I saw her cold eyes,  
I touched her angry sweat,  
I tasted her mischievous kisses,  
I quickly learned then the signs of a threat.**

**Yet, I still loved her,  
She was my queen,  
There was something about her,  
That always made me act like a teen.**
