Be always ready just in case

**A desperate bee told the sunflower,
“Why do I have to worry about how I look,
About dressing smarter,
If I see no happiness coming in my outlook,
Even when I try harder
To make my life a happy book?”**

**The sunflower replied kindly, “Every day.
You have to dress feisty,
Cheerful,
Be always ready just in case one day,
You happen to meet your destiny,
Your wonderful
As true love usually decides to show up to play
Unannounced or suddenly
When it sees someone colorful.”**

The Illness Called "Love"

**If you think you have the ability to smell smiles,
To touch flying kisses,
To taste distant hugs,
To see deep feelings,
And you behave as humble as a dove,
Then, you have been stroke by the illness called "love".**

When Your Heart Is Taken

**Remember,
If you are not in love
Or interested,
There is not surrender.**

**But when your heart is taken,
Whether you are in love or not
You will not mind being shaken,
Or ending up in a human knot.**

**So remember,
When your heart is taken
There is surrender,
As the ability to think is broken.**

The Joy of Living in the Moment

**A rich woman was so worry about her past,
Her previous life,
That she made her present
Very difficult to live.**

**A powerful man was so worry about his future,
The next chapter of his life,
That he made his present nature
Almost unbearable.**

**A homeless couple in the park looked so happy
Expressing their joy of living in the moment,
Enjoying simple things as they came day by day
As they have learnt not to worry about the future nor past.**

My Most Precious Piece of Art

**Give me one smile,
And I will jump,
Hump,
Cheerfully for a while.**

**Give me one hug,
And I will roll over,
Lay over,
Happily on the rug.**

**Give me one kiss,
And you will never,
Ever,
Forget me miss.**

**Give me your heart,
And you will always be,
You will see,
My most precious piece of art.**

**Poem by Lucio Muñoz
Vancouver, BC, Canada**

Give Me

**Give me a sign,
A smile,
And I will come to you
(Admirer);
Give me your hand,
Your charm,
And I will hug you
(Hugger);
Give me your lips,
Your attention,
And I will kiss you
(Kisser);
Give me your dreams,
Your hopes,
And I will adore you
(Lover).**

**From admirer,
To hugger,
To kisser,
To lover
(Forever).**

Enjoy Life As It Happens

**We know our past
Our present nature,
But we do not know
Our future.**

**We know where we were born
Where we live,
But we do not know
Where we will die.**

**Therefore, it is wise
To take chances
To enjoy life
As it happens.**

**Poem by Lucio Muñoz
Vancouver, BC, Canada**

Show Interest, Go Out, and Love
Show interest in someone,
And a chain of smiles may follow;
Go out with a special one,
And the string of kisses may continue tomorrow;
Love the best one,
And the gentle breeze of happiness may blow;
Show interest, go out, and love,
And a river of joy just for you to swim will grow.

A Profile Of Love

**Personality,
I am not shy, I am respectful.
Reality,
I seek love, yet I am careful.
Destiny,
To make somebody happy, to be playful.**

Under the Spell of Cupid Once More

**Thanks to life,
It has given me love,
Family, friends, patience,
And the power to strive.
Hope is king.**

**I have been mostly happy,
I can not ask for more,
Only when I lost her love my heart felt shaky,
But now I am under the spell of cupid once more.
My new love will join me this spring.**

At The End Of The Day

**We are busy,
Under pressure,
It is not easy,
Looking for a special treasure.**

**Would not you agree?,
At the end of the day,
We only need to see a caring smile,
At home anyway.**

**Poem by Lucio Muñoz
Vancouver, BC, Canada**

Choose With Your Heart

**Those who choose with their eyes will soon find out
That time is their worst enemy
As external beauty is not eternal;
Those who choose with their heart
See the passing of time as friendly
As they would value love ones using beauty that is internal.**

**Therefore, if looking long-term, choose with your heart,
Not with your eyes,
As if all goes well you will be happy from the start,
And remain happy even after physical beauty dissipates.**
